PES CANOPY WALKWAY - 90' Program

This 90-minute program is a first-of-its kind experience in Thailand and takes ethical tourism to new heights – literally! Explore our new, 500 meter-long canopy walkway and observe 12 rescued elephants as they roam, forage, bathe and socialize freely in the jungle. Our tour guides will be happy to share the story of each rescued elephant, and to provide you with interesting facts about the largest land mammal on earth. The program also includes an opportunity to feed some of the elephants during selected times. At the end of the tour we serve refreshing iced sodas while you can rest and enjoy the serenity of the sanctuary.

This program includes **1 complimentary PES T-shirt** for every adult and child between 4 and 12 years as well.

Available time slots will be 09.30-11.00, 10.00-11.30, 14.00-15.30, and 14.30-16.00.

Price excluding transportation: **1,900 THB** per adult and **950 THB** per child aged between 4 and 12. (Kids below 4 are welcome free of charge)

HALF DAY WITH ELEPHANTS

Our half day program is an eye-opening and inspiring experience. Following a scenic drive along a local village you will arrive at our 30-acre sanctuary, dotted with natural ponds, open fields and tropical hillsides. Your visit starts with an educational video to prepare you for your encounter with the elephants, and to help you understand why they need to be protected.

We then venture into the jungle to locate the elephants, and to observe them forage and bathe freely while our tour guides give you a detailed background of each elephant. You will also have a rare opportunity to get up close with the elephants and to capture some incredible photographs while feeding them their daily baskets of bananas, watermelons and cucumbers.

At the end of the program, a delicious vegetarian Thai meal awaits at our Tree Top Lounge.
